

Support JET in 2025

The Jersey Employment Trust is a registered charity (No. 158) which helps Islanders who have a disability or long-term health condition secure and sustain work.

Our social firm Acorn Enterprises (Reuse, plant nursery and Woodshack) provides work and training opportunities for people who have a disability or long-term health condition.

JET Jaunt: Passage to Prague

In 2024 we introduced a new fundraising challenge. Inspired by TV's Race Across The World, teams of two raced from St Malo to Monaco, with challenges and checkpoints along the way. Seventeen teams raised more than £22,000.

Could you be a sponsor or a participant?

Could you offer a prize?

In September 2025 Jaunters will be racing from St Malo to Prague.

Donations of time, skills or expertise

If you're a business, you can help by providing employment opportunities, offering work experience, job tasters, or internships. Your commitment could help someone take the first step toward a fulfilling career.

At Magellan Consultancy, we emphasise the significance of businesses supporting their local community. We believe that dedicating our time and expertise to local charities is a natural way to offer assistance to the community. It brings us immense satisfaction to witness the positive impact we can make by utilising our professional skills.

Kenan Osborne

You can make a tangible difference by funding specific programmes or sponsoring internships that give individuals the real-world experience they need to succeed.

Corporates who donate their time and expertise enter into deeper and longer-term relationships with us. Donation of time or skills can be anything from training and development for clients and/or staff (including mock interviews, CV advice, work preparation), to strategic business development. What skills can you share with us?

Go nuts for Acorn!

The Squirrel Run is a new event coming in the spring of 2025 to mark what would have been our dear late colleague Dean Lowe's 50th birthday.
